School Overview

Dajarra is a small rural remote community 153 kilometres south of Mount Isa. Dajarra State School is a Band 6 school catering for students from Kindy to Year 6. There are two classes composed of Years Kindy to 3 and 3 to 6. Our focus is on providing quality and relevant learning outcomes for all students, especially in literacy and numeracy. Our fundamental belief is that every child can achieve. Our curriculum works toward ensuring students become life-long learners so that they have the abilities to become active, responsible individuals who are able to engage positively within the community and society. We are part of a Border School Network which has a focus on the development of an Integrated Curriculum (multi-age classes units of work), assessment and moderation of writing tasks. Collaborative planning and programming provides support for teachers. The school also has a strong focus on implementing and refining programs that support the development of learning English as a Second Language. The school motto "Where Everyone is an Achiever" is underpinned by our strong behaviour framework which encompasses 4 underlying values: Be Responsible - Be Resilient - Be Respectful - Be Safe

Principal's Foreword

Introduction

Dajarra State School's vision is "where everyone is an achiever", and we believe that through quality curriculum, high expectations, a safe, supportive environment, great teaching and consistency of practice, every child can learn and achieve!

In 2017, students were taught in two multi-age settings comprising preparatory to year two and years three to six. The school was staffed with a teaching principal, two classroom teachers, a SEP/STLaN teacher, 6 teacher aides, a cleaner, schools officer and an administration officer. The school also had regular access to guidance officers, speech pathologists, advisory visiting teachers as needed.

In 2017, Dajarra State School continued the implementation of the Australian Curriculum in English, Maths, Science, History and Geography. The remaining Key Learning Areas Health and Physical Education (HPE), The Arts, Technology, Languages Other Than English (LOTE) were delivered under the Queensland Curriculum and Assessment Reporting Framework (QCARF).

The school community continued its focus on the 4 behaviour values: Responsibility, Resilience, Respect and Safety. In 2018, these values along with behaviour and attendance data will form the basis of a newly developed Positive Behaviour for Learning Framework accompanied by a Wellbeing framework.

Environmental Footprint

Reducing the school's environmental footprint

As noted below, electrical consumption was higher than previous years. However, Ergon Energy has done significant upgrades to the electrical lines at Dajarra and it is now a lot more reliable. This means we are using more town power and less of the generator that we have previously relied upon.

EN ¹	ENVIRONMENTAL FOOTPRINT INDICATORS			
Years	Electricity kWh	Water kL		
2014-2015	8,269			
2015-2016	14,734	320		
2016-2017	20,345	320		

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.
